

UNITY OF CALGARY

December 2011

2011 at a glance

By Kathryn Christie

The end of 2011 is nearing, Christmas shopping is upon us and Unity still has a wonderful lineup of events to wind up the year end. We have had an eventful year at our cozy little church. Our list of speakers and authors has expanded, the variety of our musical guests and events has diversified. We have hosted a wonderful selection of concerts, a Spring & Fall Tea and Bake Sale, numerous healing workshops, movie events and year round classes. The church has been rented out for a wedding, life celebration and most recently a baby shower. We continue to expand the space with Joy, Laughter and Learning.

December 11 we are featuring Barbados born Jazz Sensation - **CiCi** and Guests. The evening starts at 7 PM and is a semi-formal event. We will be entertained by her wonderful singing of Christmas music as well as a wide array of Jazz standards. This is a rare event to have such an Internationally celebrated artist in such a small venue. Advance Tickets on sale at The Unity Bookstore or on line @ www.evolvingdoors.ca

December 18 come spend the evening with your family starting at 7PM. We have an assortment of entertainment. Children's Church will be wowing us with a surprise performance, musical guests, Story Telling, Christmas Carols and our Salt Ceremony will be performed. Bring along some Christmas cookies and share in Hot Chocolate and Community.

December 25- there will not be a service

January 1 - services will start up again

We are collecting non-perishable food donation for the Calgary Food Bank up until Dec 18 help us help those in need
